Toddler Tamer 3 Title Series *NEW* More than one million parents all over the world swear by Toddler Taming, Dr. Christopher Green's guide to surviving the toddler years. Dr. Christopher Green, consultant paediatrician and Head of the Child Development Unit at the Royal Alexandra Hospital for Children in Sydney, is Australia's best-known parenting authority. Toddler Taming offers friendly practical advice for a new generation of parents with children at the challenging stage of toddlerhood. Dr. Green's methods, based on over thirty years experience, will help you to enjoy the toddler years. His reassuring message is to remember you are normal and not alone. Parents of babies and toddlers will find these DVDs packed full of practical advice and well-tried tips presented in Christopher Green's straightforward and humorous way. These programs include real parents who bring with them a host of real problems that will show parents they are not alone through the turbulent toddler years. 320 min.

“The Happiest Baby On The Block” and “The Happiest Toddler On The Block”, By Dr. Harvey Karp the world leader in baby and child development expertise with the #1 and #2 best selling books on babies and children in the US. It really works! Word of mouth made this the leading baby product in the US because it is a complete revolution in calming babies that anyone can quickly learn. Quotes from celebs and professionals; Madonna, Michele Pfeiffer, Pierce Brosnan etc...

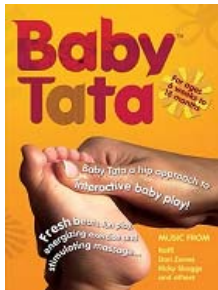

“ABC's of Newborn Baby Care”, ABC's of Newborn Baby Care is a highly informative TITLE on how to care for your healthy newborn. Covering everything from bathing to dressing to nursery safety, it is divided into 18 easily searchable chapters.

“Yoga Ma Baby Ga”, What makes it so unique is that the main screen is beautiful pictures for my toddler and seven month old to look at, while only the small portion of the screen shows the exercizes. It's neat, because I can actually get a work out and keep my kids entertained. Sometimes they "play" with me, and other times are happy to sit and stare at the incredible images. A great deal, very interactive. Whoever thought of this is brilliant.

“Infant Massage”, This baby massage video takes the viewer through step-by-step instructions by breaking down the massage process into easy to follow directions. This video makes baby massage an easy process to learn providing a simple way to make a great connection and provide significant health benefits to your baby. Baby massage provides vital bonding and health benefits.

NEW “Baby Tata”, The Baby Tata DVD introduces parents to the ultimate experience in baby play, exercise, and massage. Using massage therapy, karaoke sing-a-longs, innovative games, original animations, and energizing exercise routines, Baby Tata provides hours of bonding and delight, all of it set to a fantastically compiled original soundtrack that includes artists such as Raffi, Dan Zanes, and Ricky Skaggs! This DVD includes two routines that fit into any schedule: Tata Full, a 22 minute routine, and Tata Mini, a quick 10 minute segment. Certified Infant Massage Instructor, Monica Doshi, LMT, CIMI, NCMT takes you through the Baby Tata routines by demonstrating the basics of infant massage, play, and exercise.
