NEW Jancis Robinson's Wine Course: Wine is more popular than ever. More and more people enjoy a good glass of wine and would like to learn more about wine. From the vast amount of wine books almost anyone will have one or more copies on the bookshelf. One of the nice features of wine is the experience and romance around producing and drinking wine. Other than wine books, wine programs on television are able to communicate these feelings to the wine enthusiast. The most lauded wine program of the last decennium is Jancis Robinson's Wine Course, broadcasted as a series of 10 programs on BBC.

NEW Masters of the Casino Series: Winner of the 2003 World Series Chris Moneymaker, and Hall-of-Famer Tom McEvoy explain the ins and outs of online poker in this edition of the MASTERS OF THE CASINO series. The internet has opened up new possibilities for poker players, but also new risks. While the strategies here will improve any player's game on or off the web, HOW TO CONQUER ONLINE POKER also provides many tips that are specific to the world of internet gambling. With actual tournaments being broadcast on television and online versions taking the Internet by storm, poker has become America's new national pastime. The MASTERS OF THE CASINO series helps viewers sharpen their game with tips from the best poker players in the world, including 2003 World series of Poker Champion Chris Moneymaker and Poker Hall of Famer Tom McEvoy. In this volume, Moneymaker and McEvoy reveal strategies for positioning and calculating odds in Texas Hold'em.

“Train Your Dog The Positive and Gentle Method”, Now there is a better way to have that special bond you always wanted with your dog. Learn how you can get results in a short time, using praise and treats. A truly interactive DVD, which reveals many of the best-kept secrets of positive dog training.

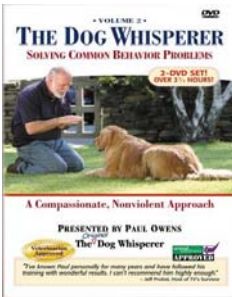

“Learn To Knit 3 Title Super Set”, This DVD video series is designed for beginners. It will take you step by step, perfectly paced to teach you how to knit. It includes camera angles as if you were looking through the eyes of the instructor. You will complete a project in every DVD, such as mittens and cable knit scarves. DVD 1 teaches the basics: casting on and off, knit, purl, garter and stocking stitches, increasing and decreasing. DVD 2 teaches intermediate techniques: the ribbing stitch, using stitch holders and markers, knitting gauge calculations, sizing for different people. In DVD 3 you'll learn: patterns, cable stitches, changing yarn colors, double sided cables, blocking and tufts. Each DVD is divided into chapters for each technique, allowing you to quickly find instruction on a specific topic.

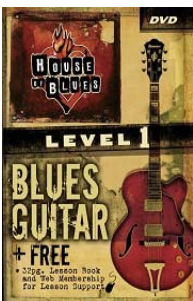

NEW “The Dog Whisperer – Beginning and Intermediate Dog Training”, Owens, founder of Raise with Praise, Inc. and a certified evaluator for the Delta Society’s Animal Assisted Therapy Program, has created a good, basic, reasonably priced introduction to dog training based upon rewarding “successive approximations” of correct behavior. Gone are the leash “pop” and harsher corrections of earlier obedience methods. Nonviolent dog training shapes appropriate behavior with rewards such as food and games. Incorrect behavior is punished by ignoring the dog and by verbal cues such as “oh-oh.” There are chapters on clicker training, target stick training, and training gear such as collars and leashes; the nine ingredients of canine optimum health (high-quality diet, play, socialization, quiet time, exercise, employment, rest, training, and healthcare); and human-canine communication. How to teach “sit,” “stay,” “down,” “stand,” “come,” “heel,” “take it,” and “drop it” are explained.

On this 2 disc set, Paul Owens offers Step by Step solutions for puppy and dog behavior problems. A Compassionate, Non-Violent Approach by Paul Owens Introducing Paul Owens’ much anticipated sequel to his first DVD. In this new 2-disc set, Paul explains why dogs get into trouble in the first place and offers step-by-step solutions to many common problems including: Barking or Whining, Begging at Table, Running Out the Door, Chewing, Destruction and Stealing, Getting on Furniture, Housetraining, Jumping, Mouthing, Nipping, and Biting Barking in Yard, Digging, lunging or pulling on leash. 151 minutes total.

“The Dog Whisperer – Solving Common Behavior Problems”
